Joan Camerlengo began her real estate career in 1994 and has been serving the Staten Island real estate community for 20 years. She is a life-long Staten Island resident. Joan was the relocation liaison with a local franchise company prior to establishing her company in 2005.

A consistent top producer, Joan has earned a reputation for being knowledgeable, honest and effective in her dealings. She is a hands-on broker, who has the problem solving expertise, attention to detail and superior customer service that you need to guide you through your sale or purchase. Joan and her staff are committed to working through the issues to get you to close.
